# Marie Sigrist

PhD Student

## Activities / CV

### FIELDS

Anthropology - Sociology

### MY ACTIVITIES

My work is part of the study of global food dynamics. More specifically, the purpose of my research is to identify the culinary practices of Brazilian and French immigrants in France and Brazil. The construction of identity, miscegenation, immigration, community mutual aid, merchant food exchanges are, all themes that are brought together in this work..

- [Summary of the thesis](#)
